

step-by-step

hospital walking directions

start: **hospital entrance**

end: **asthma specialty clinic**

directions

turn to your **left** after walking in entrance

walk about 20 steps - elevators will be directly in front of you

take **elevator to 2nd floor**

turn **right** out of elevator to check-in counter

after check-in, **walk about 15 steps** until first hallway

turn **right** at first hallway

walk about 25 steps down the hallway until it ends

take a **left** (the only way you can go)

walk about 15 steps and **asthma clinic is on the right**
